Sir:

In response to the office action mailed on September 10, 2004, Applicants submit a Terminal Disclaimer over prior commonly assigned patent no. 6,692,563. It is believe that the Terminal Disclaimer overcomes the only rejection and that the application is now in condition for allowance.

Applicant also notes the following in response to questions raised in the Office Action. First, the application is complete with respect to referenced serial nos. and applicant is not aware of any errors needing correction. The information disclosure included only one page (page 3) which referenced art. That page has been acknowledged. There is no evidence to be submitted under 37 C.F.R. § 1.131 or 1.132.
